Eight Crime Indicators – January 2023

Number of Occurrences for these 8 Crime Types

2023 Monthly Total of the Eight Crime Indicators:

January 73

Overview:

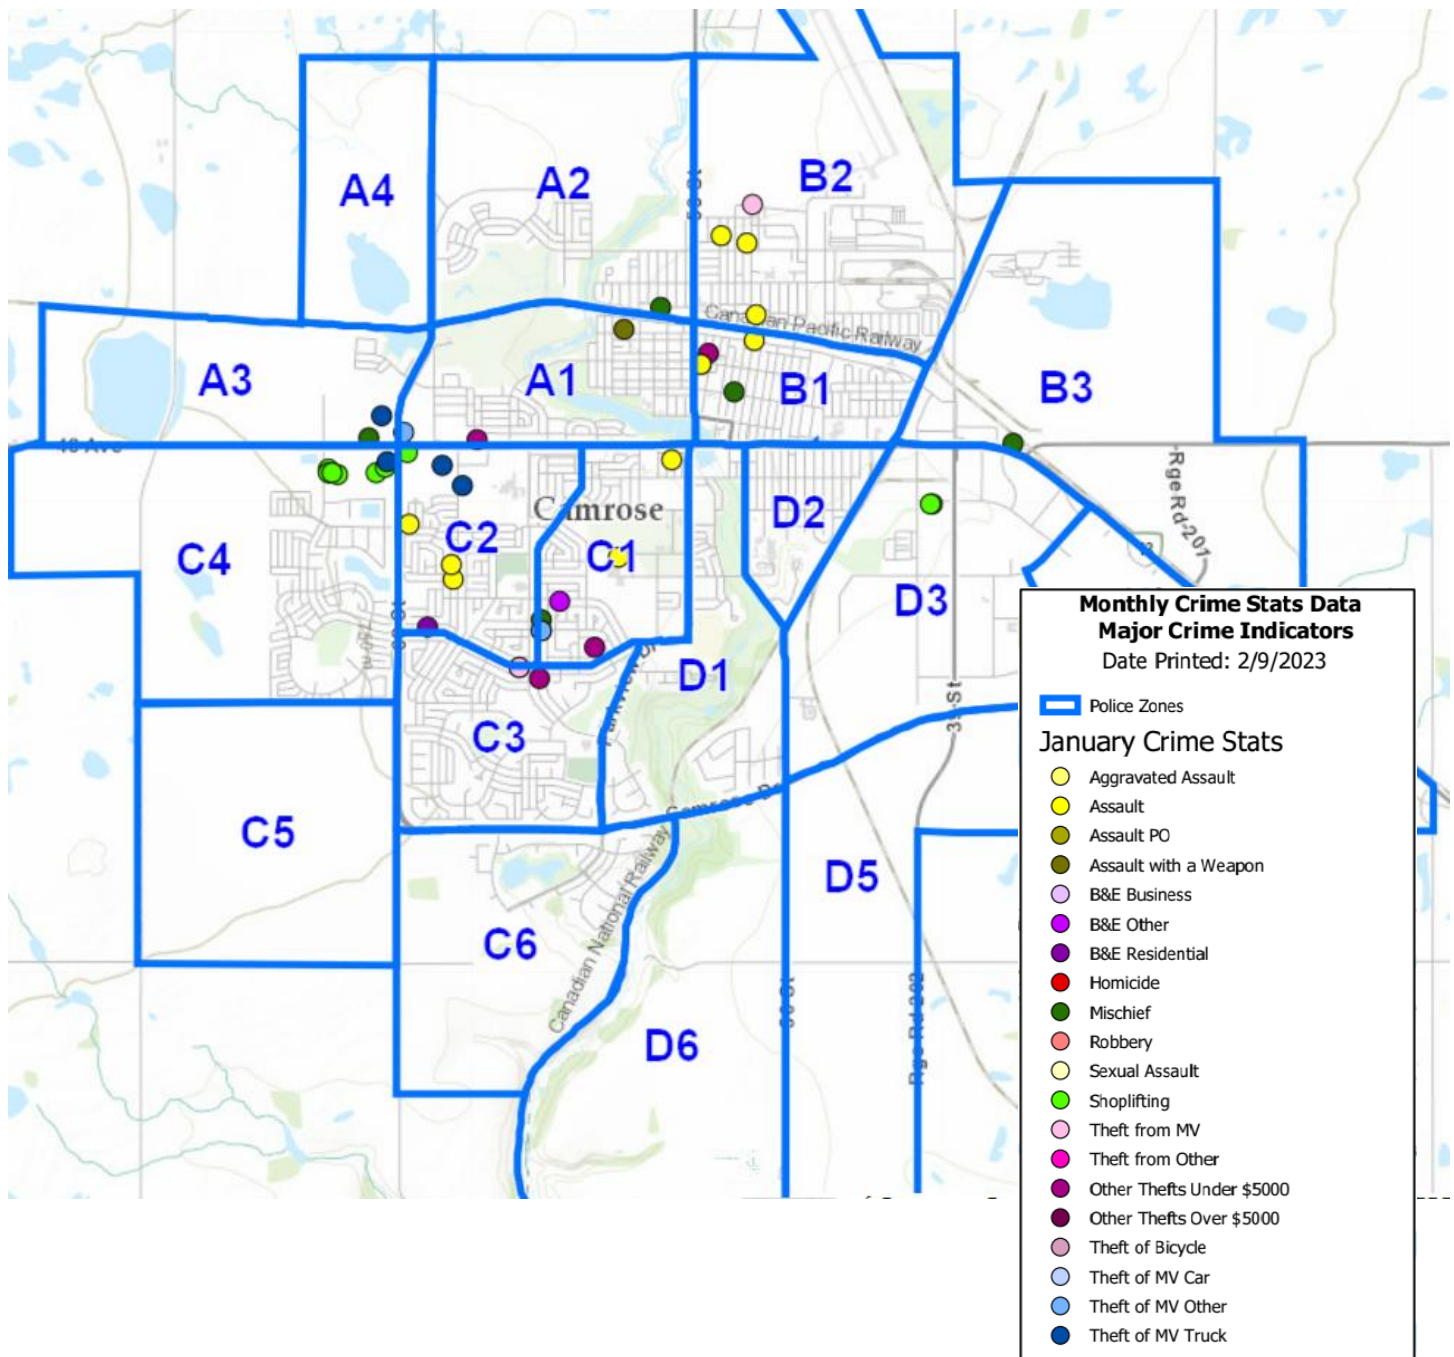

In January, 2023, the eight crime indicators recorded a 3% increase from the December, 2022 statistic of 71 reported occurrences.

Increases were noted in all categories excluding mischief, assault and homicide.

Increases in the category of break & enter are contributed to a series of four (4) garage break in's which occurred the same night and it is believed an adult male suspect is responsible for all occurrences. Further increases can be attributed to two (2) garage break & enters where unlocked detached garages were entered and a vehicle was stolen in each of the occurrences.

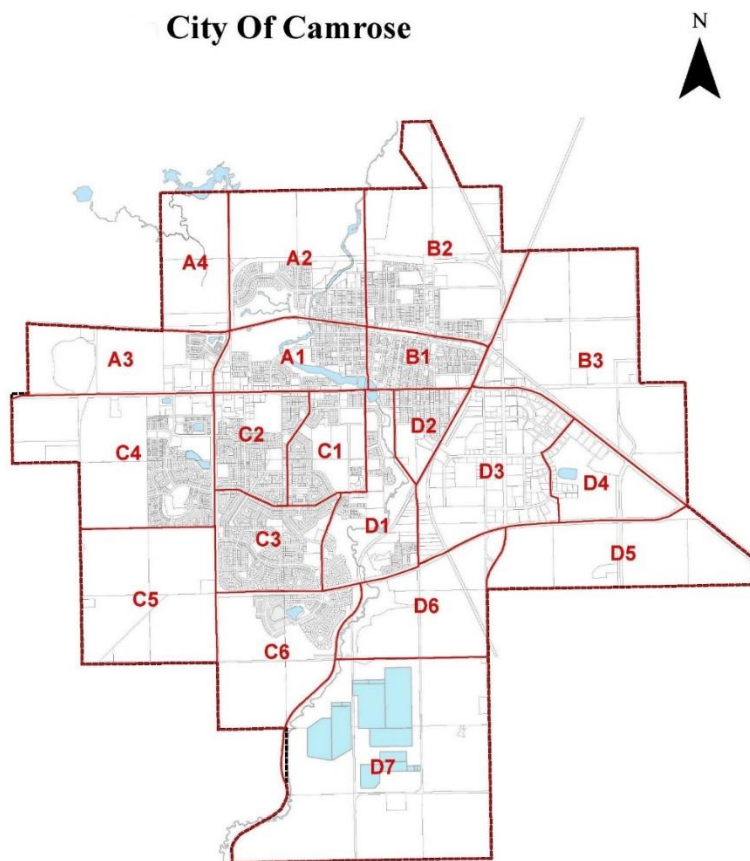

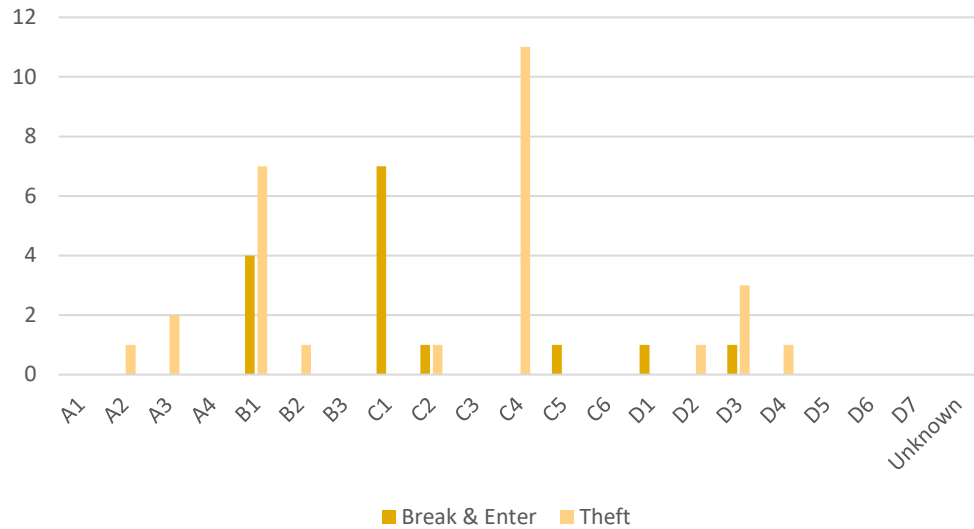

The category of sexual assault also recorded an increase as a result of two (2) historic occurrences being reported, along with two (2) reported occurrences where the victim's declined to provide a statement of have an investigation conducted.
